## Branch Workday

6 So built we the wall; and all the wall was joined together unto the half thereof; for the people had a mind to work. Nehemiah 4:6

This passage from Nehemiah certainly describes the effort of those who were able to come and work on Saturday, April 21. It was obvious that everyone had a mind to work. Twelve workers were able to spend at least part of the day working. A

great deal of good work was accomplished.

Several people worked on the church yard. Mulch was placed around each of the trees in the yard. The trees were fed with fertilizer

spikes. We are grateful to many of the younger members of the church who helped on this project. Thanks to Brad Whiting and David Newman for overseeing this project. Jeff Drope also assisted but was limited by illness.

Roger Smith and Bob Skeen installed window covers on all of the windows on the east side of the building and one window on the west side. The other windows which had covers installed during a workday in 2006, had some screws replaced. They did an great job on this project.

Inside the building, most of the work centered on preparing the new audio cabinet for installation of the new audio system in May. Dwight

The couple requests an RSVP.

Rita is the mother of Kendall Geno. She visited Zion's Outpost with Kendall a few months ago. She provided music ministry for us during

the worship when her son, Kendall, spoke to us.

## Workday

*(Continued from page 1)*

Burford and his sons had framed the cabinet in the week before the workday.

Electrical boxes were installed for outlets and light fixtures in the cabinet. Switches and existing outlets were rewired. Conduit and wiring were installed through the attic of the

sanctuary for power to reach the new cabinet.

All of this work includes a spotlight to be mounted on the ceiling that will shine on the stained glass window at night. This will illuminate the neighborhood's understanding of our faith in Jesus Christ and His saving work on the Cross. David Newman and Dwight Bur-

ford did most of this work. They were assisted by some of the Burford young men.

New lights were installed in the upstairs hallway. The new lights really brighten up the hallway.

Thank you very much for your support of the work day. You have another chance on May 19th beginning at 8:30 am.

Thank you for your continued support of the Park City Food Drive. Your food gifts help families in the area who are in need. Your generous contributions make a powerful and compassionate witness of the love of Jesus Christ to our neighbors.

Non-perishable food items should be placed in the collection box in the foyer.

## Cruising the Cosmos: Vacation Space School

Cruise the cosmos this summer with Zion's Outpost's exciting Vacation Space School!

The astronauts aboard the Spaceship Discovery will "Search for the Lord of the Universe" in the Alpha & Omega Mission. The purpose of their five missions will be to learn how all of creation was made by and for Jesus Christ and as a witness of Him as the Su-

preme Creator. Genesis 6:66 will guide our trajectory of understanding: "...all things are created and made to bear record of me...things which are in the heavens above, and things which are on the earth...both above and beneath, ALL THINGS BEAR RECORD OF ME."

We will blast off for our out-of-this-world adventure on July 16 and will

land on July 20. The Launch Pad will be at Zion's Outpost, and the launch time each evening will be at 6:00 pm CST. Please pray for all of this year's participants and planning as we prepare to BLAST OFF for a special time of fellowship and learning. If you have questions, just contact the Burfords.

"May 3, 2007 marks the 56th Annual National Day of Prayer. The Bible offers the assurance that God listens when His people humbly seek His face. Our Heavenly Father is waiting for His children to come together in prayer on behalf of our nation and its leaders.

He wants us to search our hearts and repent, both individually and corporately, as we endeavor to point this country back in the right direction. It's time for America to unite in prayer."

## 2007 Prayer for Our Nation

Written by Dr. Charles R. Swindoll

Almighty God, we pause to reflect on Your character as we seek wisdom for such a time as this.

In these unsafe days,

You remain all-powerful and able to protect;

In these uncertain times,

You remain all-knowing, leading us aright;

In the unprecedented events we're facing,

You remain absolutely sovereign.

Our times are in Your hands.

Therefore, our dependence on You, is total, not partial

. . . our need for Your forgiveness is constant

. . . our gratitude for Your grace is profound

. . . our love for You is deep.

We ask that You guard and guide our President

and all who serve the people of these United States.

May uncompromising integrity mark their lives.

We also ask that You unite us as truly "one nation,

under God." May genuine humility return to our ranks.

And may that blend of integrity and humility

heal our land.

In our Lord's name we pray,

Amen.

When Jesus Christ shed his blood on the cross, it was not the blood of a martyr; or the blood of one man for another; it was the life of God poured out to redeem the world.

## Oh, By the Way . . .

Branch Workday on May 19, 2007. Please come at 8:00am and bring a lunch with you. We will continue the series of projects started during the April workday.

The Book of Mormon Weekend Seminar will probably take place in October and not September. The Book of Mormon Foundation's schedule for September was full. Look for more details shortly regarding this important meeting.

Jeff Durocher is working a new job

now. Please pray for him as he learns the over the road truck driving trade.

Please remember Sister Margaret Carlson of Lindsborg, KS. We visited her recently at her home. She continues with chemotherapy for a cancer. She has maintained her faith in the Jesus Christ and the Restored Gospel through many years of isolation. She continues to require your prayers.

Jeff and Laurie Drope are expecting another child in late September. Please

remember this young life and the family into which she or he will be born.

Debbie Newman, Pam and Claire Burford attended a women's retreat over the weekend of April 21 and 22. They all remarked on how much they enjoyed the retreat.

Continue to remember the Sperry family in your prayers. Also the situation in Honduras that God's will may be done and His name glorified in all that is done there.
