Brent Burford

Eagle Project is Complete

Brent Burford has completed the work on his Eagle Project. He decided to use his project to perform a service for the church by refurbishing the church sign.

The project required Brent to draft a plan, recruit help and ex-

ecute the plan to completion. During the process, Brent needed to make presentations to the Facilities Committee and others for the various parts of the project.

The major steps in his project were the planning of the project, removing the old sign, refurbishing the sign, preparation of the landscaping and lights and installing the new sign.

Brent supervised each stage of the project and worked hard on each step. The finished sign was in place on Saturday, August 26, 2007.

Zion's Outpost is hosting a Book of Mormon Symposium at the church on October 13-14, 2007. The symposium will feature speakers and presentations by the Book of Mormon Foundation of Independence, MO.

The Book of Mormon Foundation was founded to promote the Book of Mormon. Their mission statement reads:

To promote The Book of Mormon and its purpose, "which is to show unto the remnant of the house of Israel how great things the Lord hath done for their fathers, And that they may know the covenants of the Lord, that they are not cast off forever.

"And also to the convincing of the Jew and Gentile that Jesus is the Christ, the Eternal God, manifesting Himself unto all nations."

The proposed schedule is on the left. Anyone interested in the Book of Mormon would be blessed by attending this program.

We do not know the names of the persons who will be teaching at the symposium. This information will be made available later.

Please register in advance and encourage your friends to attend this very important weekend with us.
